5111 ELIGIBILITY OF RESIDENT/NONRESIDENT STUDENTS

The Board of Education shall admit to its schools, free of charge, persons over five and under twenty years of age, pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education.

Eligibility to Attend School

The Board shall admit students eligible to attend school free of charge that are domiciled within the district as defined in N.J.A.C. 6A:22-3.1.

A child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in a time of war or national emergency shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. Following the return of the child's parent or guardian from active military service, the child's eligibility to remain enrolled in the school district pursuant to N.J.S.A. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

The Board shall also admit any student that is kept in the home of a person other than the student's parent or guardian, where the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child in accordance with N.J.A.C. 6A:22-3.2. A student is only eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 if the student's parent or guardian files, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and the student is not residing with the other person solely for the purpose of receiving a free public education. In addition, the person keeping the student must file, if so required by the Board of Education, a sworn statement that he or she: is domiciled within the school district; is supporting the child without remuneration and intends to do so for a time longer than the school term; will assume all personal obligations for the student relative to school requirements; and provides a copy of his or her lease if a

tenant, a sworn landlord's statement if residing as a tenant without a written lease, or a mortgage or tax bill if an owner. Pursuant to N.J.S.A. 18A:38-1.c, any person who fraudulently allows a child of another person to use his or her residence and is not the primary financial supporter of that child and any person who fraudulently claims to have given up custody of his or her child to a person in another district commits a disorderly persons offense.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1.b if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency. Eligibility under this provision shall cease at the end of the current school year during which the parent or guardian returns from active military duty.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1.d if the student's parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of a student attending the school district of temporary residence. When one of a student's parents or guardians temporarily resides in the school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with the criteria of N.J.A.C. 6A:22-3.1(a)1.i.

A student is eligible to attend this school district free of charge:

1. If the student's parent or guardian moves to another school district as the result of being homeless, subject to the provisions of N.J.A.C. 6A:17-2 - Education of Homeless Children;
2. If the student is placed by court order or by a society, agency, or institution in the home of a school district resident pursuant to N.J.S.A. 18A:38-2;

3. If the student previously resided in the school district and if the parent or guardian is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the student out of the school district, pursuant to N.J.S.A. 18A:38-3.b. The school district shall not be obligated for transportation costs; and
4. If the student resides on Federal property within the State pursuant to N.J.S.A. 18A:38-7.7 et seq.

Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other law, rule, or regulation to the contrary, a student who moves out of the school district as a result of domestic violence, sexual abuse, or other family crises shall be permitted to remain enrolled in the school district for the remainder of the school year in pursuant to N.J.S.A. 18A:38-1.1 and in accordance with the provisions of N.J.A.C. 6A:22-3.2(h). If the student remains enrolled in the school district for the remainder of the school year, the school district shall provide transportation services to the student, provided the student lives remote from school, and the State shall reimburse the school district for the cost of the transportation services. Nothing in N.J.S.A. 18A:38-1.1 shall be construed to affect the rights of homeless students pursuant to N.J.S.A. 18A:7B-12, N.J.S.A. 18A:7B-12.1, or any other applicable State or Federal law.

A student's eligibility to attend this school shall not be affected by the physical condition of an applicant's housing or his or her compliance with local housing ordinances or terms of lease.

Except as set forth in N.J.A.C. 6A:22-3.3(b)1, immigration/visa status shall not affect eligibility to attend school and the school district shall not condition enrollment in the school district on immigration status. A student's immigration/visa status and their eligibility to attend school shall be in accordance with N.J.A.C. 6A:22-3.3(b) and Regulation 5111.

Proof of Eligibility

The Board of Education shall accept a combination of forms of documentation from persons attempting to demonstrate a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.A.C. 6A:22-3.4. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or subset of documents without regard to other evidence presented.

Eligibility of Resident/Nonresident Students

The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school as outlined in N.J.A.C. 6A:22-3.4(d). The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in N.J.A.C. 6A:22-3.4(d) or pertinent parts thereof if voluntarily disclosed by the applicant. The Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment. However, in the case of a dispute between the school district and the parent or guardian of a student in regard to the student's eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the New Jersey Motor Vehicle Commission the parent or guardian's name and address for use in verifying a student's eligibility for enrollment in the school district **in accordance with the provisions of N.J.S.A. 18A:38-1.3.**

Registration Forms and Procedures for Initial Assessment

Registration and initial determinations of eligibility will be in accordance with N.J.A.C. 6A:22-4.1. The Board of Education shall use Commissioner-provided registration forms or locally developed forms that are consistent with the forms provided by the Commissioner. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

When a student appears ineligible based on the information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district's determination and an intent to appeal to the Commissioner of Education. An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of "neglect" for the purposes of ensuring compliance with compulsory education law, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student's name, the name(s) of the parent/guardian/resident, and the student's address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance at the school shall not be conditioned on advance payment of tuition when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be implemented in accordance with N.J.A.C. 6A:17-2, Education of Homeless Children. Enrollment or attendance in the school district shall not be denied based upon the absence of the certified copy of the student's birth certificate or other proof of a student's identity as required within thirty days of initial enrollment, pursuant to N.J.S.A. 18A:36-25.1.

Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.

When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student's prior educational record. However, the applicant shall be advised the student's initial educational placement may be subject to revision upon the school district's receipt of records or further assessment of the student.

Notice of Ineligibility

When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student's initial application is found to be deficient upon subsequent review or investigation, the school district immediately shall provide to the applicant notice that is consistent with Commissioner-provided sample form(s) and meets requirements of N.J.A.C. 6A:22-4 et seq. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside. Notices of ineligibility shall include information as outlined in N.J.A.C. 6A:22-4.2.

Removal of Currently Enrolled Students

Nothing in N.J.A.C. 6A:22 et seq. and this Policy shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances, or newly discovered information.

When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student's removal in accordance with the provisions of N.J.A.C. 6A:22-4.3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student" (as defined in N.J.A.C. 6A:22-1.2) has been informed of his or her entitlement to a hearing before the Board of Education. Once the hearing is held, or if the parent, guardian, adult student or resident keeping an "affidavit student", does not respond within the designated time frame to the Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student's eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board or a Board Committee, at the discretion of the full Board. If the hearing(s) is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. No student may be removed except by vote of the Board taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.

Appeal to the Commissioner

An applicant may appeal to the Commissioner of Education the school district's determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of "affidavit student" eligibility determinations shall be filed by the resident keeping the student.

Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of an ineligibility determination, the Board of Education may assess tuition, for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

If an appeal to the Commissioner is filed and the petitioner does not sustain the burden of demonstrating the student's right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition in accordance with the provisions of N.J.A.C. 6A:22-6.2(a). Upon the Commissioner's finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition in accordance with N.J.A.C. 6A:22-6.2.

Nonresident Students

The admission of a nonresident student to school free of charge must be approved by the Board. No student otherwise eligible shall be denied admission on the basis of the student's race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability. The continued enrollment of any nonresident student shall be contingent upon the student's maintenance of good standards of citizenship and discipline.

5756 TRANSGENDER STUDENTS

The Board of Education is committed to providing a safe, supportive, and inclusive learning environment for all students. The New Jersey Law Against Discrimination (NJLAD), N.J.S.A. 10:5-12(11)(f), generally makes it unlawful for schools to subject individuals to differential treatment based on gender identity or expression. Title IX of the Education Amendments of 1972 ("Title IX") specifically prohibits discrimination on the basis of sex in Federally-funded education programs and activities [20 U.S.C. § 1681(a)].

N.J.S.A. 18A:36-41 directs the Commissioner of Education to establish guidelines outlined in this Policy to provide direction for schools in addressing common issues concerning the needs of transgender students, and to assist schools in establishing policies and procedures that ensure a supportive and nondiscriminatory environment for transgender students.

Definitions/Terms

A safe and supportive environment within a school begins with understanding and respect. The Board believes students, teachers, and administrators should be provided with common terminology associated with gender identity. The terms listed below are commonly used by advocacy and human rights groups, however students may prefer other terms to describe their gender identity, appearance, or behavior. It is recommended school personnel discuss with the student the terminology and pronouns each student has chosen.

"Gender identity" means a person's internal, deeply held sense of gender. All people have a gender identity, not just transgender people. For transgender people, the individual's internal gender identity is not the same as the gender assigned at birth.

"Gender expression" means external manifestations of gender, expressed through a person's name, pronouns, clothing, haircut, behavior, voice, and/or body characteristics. Society identifies these cues as masculine and feminine, although what is considered masculine or feminine changes over time and varies by culture.

POLICY GUIDE

STUDENTS
5756/page 2 of 9
Transgender Students

“Assigned sex at birth (ASAB)” refers to the biological sex designation recorded on a person’s birth certificate upon the initial issuance of that certificate, should such a record be provided at birth.

“Gender assigned at birth” refers to the gender a child is assigned at birth or assumed to be, based on their biological sex assigned at birth.

“Sexual orientation” describes a person’s enduring physical, romantic, and/or emotional attraction to another person. Gender identity and sexual orientation are not the same. A transgender person may be straight, lesbian, gay, bisexual, or asexual. For example, a person who transitions from male to female and is attracted solely to men may identify as a straight woman.

“Transgender” is a term for an individual whose gender identity and/or gender expression differs from those typically associated with the sex and gender assigned at birth.

“Transition” is the process by which a transgender person recognizes that their authentic gender identity is not the same as the gender assigned at birth, and develops a more affirming gender expression that feels authentic. Some individuals socially transition, for example, through dress, use of names and/or pronouns. Some individuals may undergo physical transition, which might include hormone treatments and surgery. School district personnel should avoid the phrase “sex change,” as it is an inaccurate description of the transition process; the process is more accurately described as “gender-confirming.”

“LGBTQ” is an acronym for “lesbian, gay, bisexual, transgender, and queer/questioning.”

“Gender nonconforming” describes a person whose gender expression does not conform to the gender expectations of their family or community. Gender nonconformity is not necessarily an indication that a youth is transgender; many non-transgender youth do not conform to stereotypical expectations.

“Gender expansive, Gender diverse, Gender fluid, Gender non-binary, A gender, Gender queer” are terms that convey a wider, more flexible range of gender identity and/or expression than typically associated with the binary gender system. For example, students who identify as gender queer or gender fluid might not identify as boys or girls; for these students, the non-binary gender identity functions as the student’s gender identity.

“Cisgender” refers to individuals whose gender identity, expression, or behavior conforms with those typically associated with their sex assigned at birth.

POLICY GUIDE

STUDENTS

Student-Centered Approach

The school district shall accept a student's asserted gender identity; parental consent is not required. A student need not meet any threshold diagnosis or treatment requirements to have his or her gender identity recognized and respected by the school district, school, or school staff members. In addition, a legal or court-ordered name change is not required. There is no affirmative duty for any school district staff member to notify a student's parent of the student's gender identity or expression.

There may be instances where a parent of a minor student disagrees with the student regarding the name and pronoun to be used at school and in the student's education records. In the event a parent objects to the minor student's name change request, the Superintendent or designee should consult the Board Attorney regarding the minor student's civil rights and protections under the NJLAD. School staff members should continue to refer to the student in accordance with the student's chosen name and pronoun at school and may consider providing resource information regarding family counseling and support services outside of the school district.

School districts should be mindful of disputes between minor students and parents concerning the student's gender identity or expression. Many support resources are available through advocacy groups and resources from the New Jersey Department of Children and Families and New Jersey Department of Education's "Child Abuse, Neglect, and Missing Children" webpage.

The Principal or designee should have an open, but confidential discussion with the student to ascertain the student's preference on matters such as chosen name, chosen pronoun to use, and parental communications. A transgender student shall be addressed at school by the name and pronoun chosen by the student, regardless of whether a legal name change or change in official school records has occurred. The school shall issue school documentation for a transgender student, such as student identification cards, in the name chosen by the student. A transgender student shall be allowed to dress in accordance with the student's gender identity.

The Principal or designee should also discuss with the student, and any other individuals at the student's request, the risks associated with the student's transgender status being inadvertently disclosed. For example, the Principal or designee should inform the student the transgender status may be revealed due to other students' discussions at home. The Principal or designee should work with the transgender student to ensure awareness of activities and events that may inadvertently disclose the transgender student's status.

Safe and Supportive Environment

The Board developed and adopted this Policy to ensure that its schools provide a safe and supportive learning environment that is free from discrimination and harassment for transgender students, including students going through a gender transition. Gender-based policies, rules, and practices can have the effect of marginalizing, stigmatizing, and excluding students, whether they are gender nonconforming or not.

The Superintendent or designee shall review and update existing policies and procedures, including those regarding classroom activities, school ceremonies, school photographs, and dress codes, to verify transgender students are not excluded. In addition, the school district shall take the following steps to establish and maintain a nondiscriminatory environment for all students, including transgender and transitioning students:

- The school district must comply with N.J.S.A. 18A:37-15 and N.J.A.C. 6A:16-7.7, which prohibit harassment, intimidation, and bullying. The Board is required to develop, adopt, and implement a Policy in accordance with N.J.S.A. 18A:37-15 and N.J.A.C. 6A:16-7.7 that prohibits harassment, intimidation, or bullying on school property, at a school-sponsored function, or on a school bus. If harassment, intimidation, or bullying based on gender identity creates a hostile environment, the school must take prompt and effective steps to end the harassment, intimidation, or bullying, prevent its recurrence, and, as appropriate, remedy its effects.
- The Superintendent or designee should ensure training is provided to school staff members on sensitivity and respect towards transgender students.
- Social and Emotional Learning (SEL) concepts should be incorporated into school culture and curricula.
- The school district may seek a variety of professionals, including counselors and school psychologists, to provide emotional supports for all students who demonstrate a need. The Superintendent or designee shall ensure school counselors are knowledgeable regarding issues and concerns relevant to transgender students, students facing other gender identity issues, or students who may be transitioning.

POLICY GUIDE

STUDENTS

- Student dress codes should not be enforced more strictly for transgender and gender nonconforming students than for other students.
- The school district shall honor and recognize a student's asserted gender identity, and shall not require any documentation or evidence in any form, including diagnosis, treatment, or legal name change.
- A school's obligation to ensure nondiscrimination on the basis of gender identity requires schools to provide transgender students equal access to educational programs and activities, even in circumstances in which other students, parents, or community members raise objections or concerns.

Confidentiality and Privacy

School staff members may not disclose information that may reveal a student's transgender status except as allowed by law. The Principal or designee is advised to work with the student to create an appropriate confidentiality plan regarding the student's transgender or transitioning status.

The school district shall keep confidential a current, new, or prospective student's transgender status. Schools should address the student using a chosen name and the student's birth name should be kept confidential by school and school staff members.

Due to a specific and compelling need, such as the health and safety of a student or an incident of bias-related crime, the school district may be obligated to disclose a student's status. In this event, the Principal or designee should inform the student the school or school district intends to disclose the student's transgender status for the student's protection and well-being. Prior to disclosure, the student should be given the opportunity to personally disclose that information. The school district should make every effort to ensure any disclosure is made in a way that reduces or eliminates the risk of re-disclosure and protects the transgender student from further harassment. Those measures may include the facilitation of counseling for the student and the student's family to facilitate the family's acceptance and support of the student's transgender status.

During a harassment, intimidation, or bullying investigation the school district is obligated to develop a procedure to report, verbally and in writing, an act of harassment, intimidation, and bullying committed by an adult or youth against a student, pursuant to N.J.A.C. 6A:16-7.7(a)2viii. In this instance, the Principal or designee should inform the student of the school's obligation to report the findings of the harassment, intimidation, and bullying investigation pursuant to N.J.S.A. 18A:37-15(d), which permits the parents of the students who are parties to the investigation to receive information about the investigation in accordance with Federal and State law and regulation. Under harassment, intimidation, and bullying legal requirements, parents are entitled to know the nature of the investigation; whether the district found evidence of harassment, intimidation, or bullying; or whether disciplinary action was imposed or services provided to address the incident of harassment, intimidation, or bullying.

The Principal or designee shall take into account the circumstances of the incident when providing notification to parents of all students involved in the reported harassment, intimidation, or bullying incident and when conveying the nature of the incident, including the actual or perceived protected category motivating the alleged offense, pursuant to N.J.A.C. 6A:16-7.7(a)2viii(2).

Disclosure of personally identifiable information from a student's education record to other school officials within the school district, whom the school district has determined have a legitimate educational interest in the information, may be permissible under Family Educational Rights and Privacy Act (FERPA) (34 C.F.R. § 99.31(a)(1)). The school district shall make a concerted effort to ensure school officials obtain access to only those education records in which they have legitimate educational interests.

The school district shall comply with all laws and regulations regarding the confidentiality of student records and student privacy, including the requirements set forth at 20 U.S.C. § 1232g, Family Educational Rights and Privacy Act; 34 CFR Part 99, Family Educational Rights and Privacy; 20 U.S.C. § 1232h, Protection of Pupil Rights; 34 CFR Part 98, Student Rights in Research, Experimental Programs, and Testing; P.L. 104-191, Health Insurance Portability and Accountability Act; 45 CFR Part 160, General Administrative Requirements; 20 U.S.C. § 7917, Transfer of school disciplinary records; 42 CFR Part 2, Confidentiality of Alcohol and Drug Abuse Patient Records; N.J.S.A. 18A:40A-7.1, Confidentiality of certain information provided by pupils, exceptions; N.J.A.C. 6A:16-3.2, Confidentiality of student alcohol and other drug information; N.J.S.A. 18A:36-19, Pupil Records, creation, maintenance and

School Records

If a student has expressed a preference to be called by a name other than their birth name, permanent student records containing the student's birth name should be kept in a separate, confidential file. This file should only be shared with appropriate school staff members after consultation with a student. A separate file containing records bearing the student's chosen name may also be kept. If the student has previously been known at school or in school records by a birth name, the Principal or designee should direct school staff members to use the student's chosen name and not the student's birth name.

To ensure consistency among teachers, school administrators, substitute teachers, and other school staff members, every effort should be made to immediately update student education records (for example, attendance records, transcripts, Individualized Education Programs (IEP), etc.) with the student's chosen name and gender pronouns, consistent with the student's gender identity and expression, and not circulate records with the student's birth name, unless directed by the student.

- The school district shall report to the New Jersey Department of Education (NJDOE) through NJ SMART a student's name or gender based upon that student's chosen name and corresponding gender identity. Changing the name or gender identity from what was reported in previous years will not affect the reliability of the data reported.
- If the school district changes a student's name or gender identity, it must also maintain locally a separate record reflecting the student's legal name and sex assigned at birth until receipt of documentation of a legal change of name or gender.

Activities

With respect to gender-segregated classes or athletic activities, including intramural and interscholastic athletics, all students must be allowed to participate in a manner consistent with their gender identity.

POLICY GUIDE

STUDENTS

Transgender Students

The school district shall:

- Provide transgender students with the same opportunities to participate in physical education as other students in accordance with their gender identity;
- Permit a transgender student to participate in gender-segregated school activities in accordance with the student's gender identity;
- Permit and support the formation of student clubs or programs regarding issues related to lesbian, gay, bisexual, transgender, and queer/questioning (LGBTQ) youth; and
- Offer support in the creation of peer led educational groups.

Use of Facilities

All students are entitled to have access to restrooms, locker rooms, and changing facilities in accordance with their gender identity to allow for involvement in various school programs and activities.

In all cases, the Principal or designee must work with the student and school staff members so all parties are aware of facility policies and understand the student may access the restroom, locker room, and changing facility that corresponds to the student's gender identity. While some transgender students will want this arrangement, others may be uncomfortable with it. Transgender students who are uncomfortable using a sex-segregated restroom should be provided with a safe and adequate alternative, such as a single "unisex" restroom or the nurse's restroom. Similarly, some transgender students may be uncomfortable using the changing facilities that correspond to the student's gender identity. Non-transgender students should also be afforded the option to use a private facility, such as a unisex facility or the nurse's restroom, should they feel uncomfortable.

- The school district shall allow a transgender student to use a restroom or locker room based on the student's gender identity.
- Reasonable alternative arrangements shall be made if needed to ensure a student's safety and comfort. This direction for accommodations should come from the student.

6112 REIMBURSEMENT OF FEDERAL AND OTHER GRANT EXPENDITURES

The Cash Management Improvement Act (CMIA) and related Federal regulations require a State to minimize the time elapsing between the transfer of funds from the United States Treasury and the expenditure of funds for program purposes. This requirement applies to grantees such as the State of New Jersey and their subgrantees, such as a school district. The State of New Jersey and school districts must assure funds have been, or will be, spent within a minimal amount of time after having been drawn from the Federal government.

In accordance with this requirement, the New Jersey Department of Education (NJDOE) has implemented a reimbursement request system of payment. The procedures as outlined in the New Jersey Department of Education Policies and Procedures for Reimbursement of Federal and Other Grant Expenditures shall be followed by school districts in submitting reimbursement requests. Reimbursement requests for entitlement grant awards under **the Every Student Succeeds Act (ESSA) Titles I, II-A, II-D, III, III-Immigrant, IV and V of the No Child Left Behind Act (NCLB), the Individuals with Disabilities Education Act (IDEA), and the Carl D. Perkins Career and Technical Education Improvement Act of 2006, and any other program designated by the NJDOE** shall be made using the NJDOE's Electronic Web-Enabled Grant (EWEG) System.

Reimbursement requests by the School Business Administrator/Board Secretary or designee shall be made for individual titles and awards using the payment functionality of the EWEG system. ~~Reimbursement requests shall be made for individual titles and awards and~~ Only one reimbursement request per month may be submitted for an individual title, ~~or~~ award, **or subgrant**. Reimbursement requests may only be for expenditures that have already occurred or will occur **within three business days of receipt of funds** ~~by the last calendar day of the month in which the request is made.~~

The submission of a reimbursement request constitutes a certification by the School Business Administrator/Board Secretary that the school district has previously made the appropriate expenditures and/or will make the expenditures **within three business days of receipt of funds** ~~by the last calendar day of the~~

~~month in which the request is made and that the expenditures are allowable and appropriate to the cost objective(s) of the subgrant. Reimbursement requests must be in accordance with approved grant applications.~~

The Superintendent of Schools or designee is responsible for submitting an amendment application to the NJDOE for approval if a new budget category for which no funds were previously budgeted or approved has been created. The Superintendent of Schools or designee is responsible for submitting an amendment application to the NJDOE for approval if cumulative transfers among expenditure categories exceed ten percent of the total award ~~or \$50,000 for IDEA, Perkins, and NCLB (per title); whichever is less.~~ **The Superintendent or designee is responsible for monitoring the cumulative ten percent level of fiscal change.**

Reimbursement requests must be in accordance with approved grant applications. A reimbursement request may be submitted at any time after the subgrant has received final NJDOE approval. Reimbursement requests submitted at least ten business days before the end of the month but no later than the fifteenth day of the month will be reviewed and, if approved, processed for payment the first business day of the following month. School districts will normally receive payment by the fifth business day of the month and will be able to track the grant's payment history in EWEG through the payments link of the grant application.

Reimbursement requests must contain a brief description of the expenditures for which reimbursement is being requested. Individual line items need not be detailed. Expenditures must be supported by documentation at the school district level but should not be submitted to the NJDOE with a reimbursement request. The Superintendent of Schools or designee is responsible to maintain supporting documentation for seven years and for making it available to the NJDOE, the United States Department of Education, and/or their authorized representatives upon request. Documentation for salary expenditures is subject to the requirements of the **Federal Uniform Grant Guidance** ~~applicable Federal Office of Management and Budget Circular: A-21, "Cost Principles for Educational Institutions;" A-87, "Cost Principles for State, Local, and Indian Tribal Governments;" A-122, "Cost Principles for Non-Profit Organizations;" and Education Department General Administrative Regulations (EDGAR).~~ Documentation for all other expenditures must include evidence that the expenditures are allowable costs and of the relationship of the expenditure to the subgrant's cost objectives.

The NJDOE staff will review reimbursement requests to determine **that** they meet the subgrant's criteria. When a reimbursement request is approved or denied, the school district will receive an email notification through the EWEG system. Approval of a reimbursement request by NJDOE does not imply approval of the expenditures as allowable or appropriate to the subgrant's cost objectives as the approval of expenditures will continue to be processed through the final report. The School Business Administrator/Board Secretary or designee assumes responsibility for assuring that all funds requested through the EWEG system either have already been expended, or will be expended **within three business days of receipt of funds** according to the requirements of the CMIA.

Procurement Procedures for School Nutrition Programs

A. General Procurement

The procurement procedures will maximize full and open competition, transparency in transactions, comparability, and documentation of all procurement activities. The school district's plan for procuring items for use in the School Nutrition Programs is as follows:

1. The School Business Administrator/Board Secretary will ensure all purchases will be in accordance with the Federal Funds Procurement Method Selection Chart – State Agency Form #358 - Appendix. 2. When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student's removal.
 - a. The Superintendent shall issue a preliminary notice of ineligibility meeting the requirements of N.J.A.C. 6A:22-4.2. However, the notice shall also provide for a hearing before the Board of Education prior to a final decision on removal.
 3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student," has been informed of his or her entitlement to a hearing before the Board of Education.
 4. Once the hearing is held, or if the parent, guardian, adult student, or resident keeping an "affidavit student," does not respond within the designated time frame to the Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student's eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2.
 5. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board of Education or a Board committee, at the discretion of the full Board. Appeals shall be initiated by petition, which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3.

- a. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of “affidavit student” ineligibility determinations shall be filed by the resident keeping the student.

K. Assessment and Calculation of Tuition

1. If no appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an “affidavit” student following notice of an ineligibility determination, the Board of Education may assess tuition for up to one year of a student’s ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner.
 - a. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.
2. If an appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an “affidavit” student and the petitioner does not sustain the burden of demonstrating the student’s right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition for the period during which the hearing and decision on appeal were pending, and for up to one year of a student’s ineligible attendance in a school district prior to the appeal’s filing and including the twenty-one day period to file an appeal.
 - a. Upon the Commissioner’s finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition for up to one year of ineligible attendance pursuant to N.J.A.C. 6A:22-6.1(a) plus the period of ineligible attendance after the appeal was filed. If the record of the appeal includes a calculation reflecting the

tuition rate(s) for the year(s) at issue, the per diem tuition rate for the current year and the date on which the student's ineligible attendance began, the Commissioner may order payment of tuition as part of his or her decision. In doing so, the Commissioner shall consider whether the ineligible attendance was due to the school district's error. If the record does not include such a calculation and the Board of Education has filed a counterclaim for tuition, the counterclaim shall proceed to a hearing notwithstanding that the petition has been abandoned.

- b. An order of the Commissioner assessing tuition is enforceable through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division, in accordance with N.J.S.A. 2A:58-10.
3. Tuition assessed pursuant to the provisions of N.J.A.C. 6A:22-6 shall be calculated on a per-student basis for the period of a student's ineligible enrollment, up to one year, by applicable grade/program category and consistent with the provisions of N.J.A.C. 6A:23A-17.1. The individual student's record of daily attendance shall not affect the calculation.
4. Nothing in N.J.A.C. 6A:22 shall preclude an equitable determination by the Board of Education or the Commissioner that tuition shall not be assessed for all or part of any period of a student's ineligible attendance in the school district when the particular circumstances of a matter so warrant. In making the determination, the Board of Education or Commissioner shall consider whether the ineligible attendance was due to the school district's error.
