NOTES

Terra Nova Testing – will begin the week of Mar. 7th and continue into the week of Mar. 14th as needed. Students should come to school having eaten a good breakfast, have at least two sharpened #2 pencils with good erasers. Testing will not go beyond 11:00 AM.

Shoes – some of our older girls have taken to wearing shoes that resemble docksiders but do not have eyelets rather just a lace bow. They are a slip-on shoe. These do not conform to the uniform code.

Lent – Ash Wednesday marks the beginning of Lent. We will be doing many Lenten activities throughout those weeks. The campus menu is also meatless on the Fridays of Lent. We ask that you honor that as well if sending lunch from home on Fridays.

Speaker Program – The topic will be internet safety and activities. Electronic communication is a crucial topic. Parents of all students should try to attend especially parents of students in grades 5-8. Students will have a similar presentation.
