Dear St. James Families,

As you know, the Development Committee has a vendor program in which various retailers and businesses donate a percentage of sales from St. James families back to our school. This year we are putting together a S.H.O.P. for St. James program which will go out to all families as a small booklet that is easy to carry with you when you are out shopping or dining. We are including various forms of shopping and would like to offer an opportunity for our families to partake in this program.

If you own a business and would like to be included in our booklet, please fill out the form below and return back to the school office no later than January 28, 2011. In order to participate, your business must be willing to donate 10% – 20% of all sales from St. James families. It can be a service business, a retail store, restaurant or a home business (ie. Pampered Chef, Arbonne, etc.)

Once we collect all interested businesses, we will contact you to discuss the details of your offer.

We thank you in advance for your support and look forward to delivering the S.H.O.P. for St. James booklet in early January.
