### **REMINDERS**

**Early January Events** – Come and be a part of the busy weekend of Basketball Blowout, Kindergarten Social, and Polar Plunge. All sponsor donations for Plungers come directly back to St. James!

**Open Houses** – Jan. 23 and Feb. 1 – Please encourage your relatives, neighbors, and friends to come and tour our school. Any family you refer and registers at St. James will be a monetary benefit to you! Your re-registration fee for one child will be refunded!

**Tuition Raffle** – Thank you for supporting this first time event. Congratulations to the Mucerino family – winners! Caitlin is in the 8<sup>th</sup> grade now and will be joining her sister at RBC next year.

**Winter Weather** – with the threat of possible storms on the horizon, we will be relying on the Honeywell Alert system of notification. If you have not registered your information on line, please do so asap. We will use the back up phone chain alert, but this will be the last year.
