Re: St. James Elementary School Rebate on Gift Card Purchases

Food Circus Super Markets, Inc. is pleased to offer the parents and members of St. James Elementary School the opportunity to raise funds for St. James Elementary School while supporting our family owned business. Effective immediately for all gift cards purchased at our Red Bank or Ocean stores (\$100 minimum purchase), St. James Elementary will receive a 5% cash rebate. Simply follow the instructions below:

- Minimum gift card purchase requirement - \$100.00 (face value)
- St. James Elementary School parent/member must present their club card at Customer Service every time they wish to make a gift card purchase in order for the school to be eligible for the cash rebate.
- Office Manager or Customer Service Representative must record St. James parent/member's name and club card number for all gift cards purchased. The parent/member must sign for the gift card.
- At month end, St. James Program Coordinator (currently Christina Lombardo) will confirm back to Food Circus Super Markets that all who have purchased gift cards are active parents/members of St. James Elementary School.
- Once confirmed by St. James, Food Circus will remit 5% of the total gift card purchase to St. James via check.
