

## St James Elementary

The outpouring of support from the St James Community to the Cleary Family is overwhelming.....

I know they feel our love.

Many people have contacted me offering help and asking what they can do. The Cleary's extended family has set up Web Based Task Site called Lotsahelpinghands that is organizing meals and possible tasks that may come up over the next several months. If you are interested please forward you're email to [Nieszma@yahoo.com](mailto:Nieszma@yahoo.com). Once forwarded you will be invited to Lotsahelpinghands.com, an easily navigated secure site that will allow you to choose a day to deliver a meal. There is also space to leave a message for the Cleary Family.

Any questions call or text me.

Thank you
