

SEND A HEART

ROSE ANNMARIE RUSCH
JUNE 2000-MARCH 2011

“Wall of Roses” for our Rosie

Help us celebrate Rose's life by filling Red Bank's windows with a "Wall of Roses" for our Rosie. Visit our event sponsors and show them your support. Please stop by any of these sponsors and send a special message to Rose.

Each heart shape was handmade by family and friends. Pick a heart and write a special message to Rose or her family.

We ask that you make a small donation for each heart. The amount is up to you. All donations will go to the Rose Annmarie Rusch Foundation, Inc. (the "Foundation").

Rose Rusch was a vibrant 10 year old student at Saint James Elementary School in Red Bank, NJ who passed away after complications from an open heart surgery. The Foundation focuses on helping

those less fortunate in the community and provides educational scholarships to students who make giving back to the community a part of their lives. We thank you very much or supporting us!!

Together we will make this world a better place in honor of our special little lady who left us way to soon.
