

There will be a lecture on how to manage lice.

Where: Saint James Cafeteria

When: Wednesday

December 14, 2011

7:00pm

Cynthia Wellington of Lice Lifters will discuss how to manage and rid yourself of these pesky critters without the use of chemicals. She will also demonstrate proper combing techniques.

Those folks who have dealt with this issue don't want it back and those folks who have not dealt with it prefer to keep it that way! So come and join us on 12/14/11.

There will be a Development Meeting immediately following this speaker.
