

LunchBreak

The St. James Care Steps program invites students from 6th to 8th grade to feed the needy in our own neighborhood. We will be volunteering at the LunchBreak soup kitchen on two Saturday mornings from 9am to noon. One is February the 25th and the other is March 10th. Help will be given with anything needed from sorting, preparing or serving food to cleaning the property. LunchBreak is a stone's throw away from St. James, located at 121 Dr. James Parker Blvd. Volunteers must be dropped off promptly at 9am and must commit to stay until 12:00. No partial commitments can be accepted. Students will be chaperoned by one of the Care Steps co-chairs, Elaine Goumas (etanzalone@comcast.net, 732-213-9050) or Sandy Thuel (thuel@comcast.net, 732-768-0457).

Wear jeans and sneakers, ready to work!

Spaces are very limited and will be filled in the order in which responses are received. If you're interested, fill the stub below and return promptly to the office, indicating which date you prefer to serve and contact information to be notified if you were selected to participate. You may only serve on one of the dates. Those selected to participate will be notified by Thursday, Feb. 23rd. Volunteers will receive community service hours. Let's give back to our community by reaching out!
