

CALLING ALL ST. JAMES ARTISTS

You are lucky to be in a Catholic school, where you are taught about faith, about many academic subjects, and about what it means to lead a life of Christian service. All three aspects of your education are important for you to grow into the person God created you to be.

To celebrate what makes Catholic schools so special, the St. James Care Steps program is having a poster contest. All students may participate by creating a poster that shows what Faith, Academics and Service means to you. You may pick one, two or do all three. You may add a few words, but most of it should be a drawing. The poster size should be 14x22 inches and any coloring media may be used such as pencils, markers, crayons, paints, watercolor, chalk, etc.

Any student can participate by taking their poster to school by February 3. Please put your name and grade on the back. All entries will be displayed in the school lobby. First and second place winners will be chosen for grades K-2, 3-5, and 6-8 and will earn a 3-day dress down pass. First place winners will also get a cash award.

So get your art supplies out and put your creative talent to work!
Winners will be announced the week of February 6th.
