

Hey Kids, Santa's elves need your help!! We have been so busy making presents for you; we have no time for decorations!

## Calling all Students

We are getting ready for Santa, and want to transform our cafeteria into a Christmas Holiday House. Please take a small box (Chinese food container) and wrap it like a present. Please be as creative as possible. Let your individuality shine through. This day is all about you! Wrapped boxes will be collected by Wednesday, November 23. These can be sent into school to the attention of Adrienne Lamanno. All wrapped boxes will be hung up for our Holiday Celebration.
