

THANK YOU to all the families who participated in the first few months of purchasing Foodtown Gift Cards...we had a great turnout!

Don't forget that there's still time to purchase this month to be entered in our first quarterly prize contest. Winner will be chosen after all sales from November are in.

The Foodtown Gift Card Program runs in both the Ocean Township & Red Bank stores, so don't forget to purchase gift cards while doing your Thanksgiving shopping at your local Foodtowns.
