

# Dare2Care Drive

The Madonna House is an outreach organization mainly focused on helping children and women with needs, including shelter. Since it was founded in 1987 by a devout Catholic woman, it has grown to serve around 2500 needy families in the area. Already facing hardships, hurricane Sandy hit them hard as the needs of the people they serve have increased. Let's bring some hope into their lives by giving them NEW items for Christmas that they sorely need. They have a chronic need for infant clothes, all sizes; and children's clothing sizes 4 thru 14, plus the items listed below. If you wish to donate, please send your contribution UNWRAPPED to school the week of December 10-14<sup>th</sup>. There will be a collection box in the school lobby.
