

Please help the First Grade collect supplies to help fellow students at Union Beach's Memorial School.

Memorial School was heavily damaged by Superstorm Sandy. The school and surrounding areas were devastated beyond belief and desperately need help.

Miss Nelsen's First Graders will be collecting the following items to help them out .

We are collecting:

- Baby wipes
- Clorox wipes
- Large index cards
- Stickers (all kinds)
- Masking tape and poster tape
- Art supplies (such as glitter and other decorations)

Please place all contributions in the box in the lobby by Wednesday, January 30th.

You may also help out by supporting the Dress Down Days this month!

Can you help us?
