

Date: September 26, 2012

To: Parents of Broad Street Walkers

From: Mr. William A. Cardone, Principal

This is a reminder to all parents of Broad Street walkers to please be aware that there is an active driveway adjacent to the fence line of the RBC parking lot at the corner of Peters Place and Broad Street. We ask that you be mindful of that driveway as we release your child(ren) to you at dismissal. We, unfortunately, do not have control of any traffic that may be entering or leaving that driveway during dismissal time.
