

LunchBreak

The St. James Care Steps program invites students from 6th to 8th grade to feed the needy in our own neighborhood. We will be volunteering at the LunchBreak soup kitchen on Saturday, November 10th from 9am to noon. Help will be given with anything needed from sorting, preparing or serving food to cleaning the property. LunchBreak is a stone's throw away from St. James, located at 121 Dr. James Parker Blvd. Volunteers must be dropped off promptly at 9am and must commit to stay until 12:00. No partial commitments can be accepted. Students will be chaperoned by Care Steps co-chair Sandy Thuel (thuel@comcast.net, 732-768-0457). Wear jeans and sneakers, ready to work!

We will do a lottery drawing of 10 student names from the responses received by October 25th. If you're interested, fill the stub below and return promptly to the office, indicating your contact information to be notified if you were selected to participate. Those selected to participate will be notified the last week of October. Volunteers will receive community service hours. Let's give back to our community by reaching out!
