

## Cashless Cafeteria System

Dear Parents:

Please remember to frequently check your cafeteria account balance at [www.k12paymentcenter.com](http://www.k12paymentcenter.com). To receive low balance notifications, you would need to purchase the premium service (\$10.00 one time charge).

Once your child's account is \$10.00 overdrawn, the account will be locked until payment is made on the K12 Payment Center website. Your credit card is **not** automatically charged for negative balances. You would need to click on the "Make a Payment" tab and charge a specific amount on your credit card to cover the negative balance. Please allow 24 hours for the payment to be applied to your child's account. Your child would need to bring lunch from home until the payment appears in your child's account.

If you have any questions, please call Mrs. Barbara Schimpf at 732-741-3363 then 2 at the menu prompt. Thank you.
