

Can any one of us imagine never having opened a gift for Christmas? That's the very sad reality for many children around the world. Now you have a chance to share the love of Christ by making a needy child experience the joy of opening a Christmas gift. This November, Saint James School's Care Steps Committee will be collecting gift boxes for Operation Christmas Child, an organization that delivers gifts to needy children all around the world. We will supply a box for the gift, (the size of a shoe box) with instructions on how to fill it, including how to pay your \$7 donation for shipping costs (which can easily be paid online via a credit card, cash or a check made payable to Samaritan's Purse) Filling the box is a lot of fun and does not cost much but will mean the world to the child who receives it!

See this for yourself at: <http://www.youtube.com/watch?v=IKLz5u-ErW8>

**Boxes will be distributed through your
homerom teacher starting Tuesday, October 20th.**

**Boxes will be collected in the school lobby
the week of November 2nd**
