

## What is Jason's Dreams for Kids?

Jason's Dreams for Kids is a local nonprofit tax deductible organization that was founded in memory of Jason Douglas Creager, who passed away on January 18, 1992 after losing his battle to cancer. Jason's Dreams for Kids, Inc. is devoted not only to granting wishes/dreams to children diagnosed with serious medical conditions but to also providing support to the families of these children during their time of need and after. Their mission is to bring a little happiness and put a few smiles on these children's faces along with their families. Jason's Dreams for Kids, Inc. stays in contact with each and every one of their wish children and builds a bond through friendship with each of their families. To this date the organization has granted 700 wishes and with your help this number can grow.

On May 7, 2016, the "Red Bank Catholic Making Wishes Come True Club" will be hosting their annual benefit carnival in the parking lot of St. James Church (112 Broad Street Red Bank, NJ) with a goal to raise \$15,000 for Jason's Dreams for Kids, Inc. The students of Red Bank Catholic High School have already begun efforts to obtain this goal by hosting various in school fundraisers and we are asking for you to join our team. Your contribution of any amount and attendance the day of the event will help make this a HUGE success. Thank you again in advance for your time and consideration.
