Saint James Has Talent!

Attention Business Owners!

We are putting together our third annual talent show, Saint James Has Talent, and are looking for your help and support.

We are interested in purchasing t-shirts to give to our participants and possibly to sell to audience members. Each shirt is about \$10 and we are looking to purchase approximately 70 shirts. Any monetary donations you can make to help us make these purchases would be greatly appreciated.

To thank you for your donation, we will put your business' logo on the T-shirt, as well as our program.

All proceeds for this event benefit Saint James School. We thank you for generous help and support!

Please fill out the form below and send it in along with your donation ASAP!

Thank you for your help!
