

DID YOU KNOW??

Did you know that there are other ways to help St. James raise extra money for our school without even going out of your way?

Save your BOX TOPS !  Take a peek at your groceries!! Box Tops are on a lot of household items from food packages to toiletries. You can even log into [Box Tops](#) to see all of the ways that you can help & specifically what products Box Tops are on.

We collect ink cartridges (laser and ink jet!), cell phones, laptops, mp3 players, notebooks, tablets, ipods and readers!!! This collection is twofold. First, we get paid on all of those items! Secondly, you are helping reduce waste that would otherwise wind up in a landfill by recycling all of those items through us!

Use your **Stop & Shop Card** to help us raise money for our school through the A+ Stop & Shop program. You'll get a reminder in August to register. The program has ended for the 2015/2016 school year, but will reopen for registration before the new school year begins. You can bookmark the page [here](#), if you'd like.

Tyson Foods has an A+program as well. Cut their labels off participating products and send them in. Check your groceries; seconds of your time snipping these little coupons is extra money that our school receives. Participating products can be found [here](#). Look for any of these labels...

Just seconds of your time adds up to dollars for our school.

Any questions, please feel free to contact Kim Vowteras, kimberlyvowteras@gmail.com

And Please!!! Make sure, that while you're enjoying Summer Vacation, that you save your Box Tops, your ink cartridges, your old cellphones and your Tyson labels to send in when school resumes in September.

Contests run throughout the year and the classes that bring in the most will be rewarded with prizes!
