WHAT: SJAA Open Public Meeting

WHEN: Tuesday February 7th, 7PM

WHERE: St. James School Library

We will have a Open Public Meeting in the Saint James Library. We plan to discuss SJAA opportunities for Participation, Volunteers, Coaches and Fundraising. Bring your concerns and ideas!

In recent years, we have had diminished participation and less support at the parent level. We are looking for ways to get it back. Currently we are ramping up for our Spring Fundraiser- Run with the Royals 5K on Mother's Day, Sunday May 14th on the Long Branch Boardwalk and look forward to a great warmer weather event!

If you are unable to join us but would like to be involved, please email Laura Shroba at TLShroba@verizon.net

On behalf of the St. James Athletic Association,
We thank you and need your generous and continued support!
