

Holiday Wish List

Families at St. Jude Children's Research Hospital rely on the generous donations of people like you to make their hospital stay during the holidays a little easier. Your donations of new, unused items will become part of a holiday experience that gives parents an opportunity to pick out items that will be delivered to their loved ones during this time. The holiday wish list includes popular items among teenagers and young children. **Please limit the value of any single item to \$150.**

For infection control and HIPPA privacy laws we are not able to welcome groups of visitors into the hospital to distribute gifts or donations. We are happy to accept and distribute your donations to patients on your behalf. Please **do not** gift wrap your donation.

For more information or to make a donation please contact us at 1-800-822-6344; or ship new unused items to:
