## FENCING

Fencing is one of the original sports of the modern Olympics. It is also an NCAA sport with scholarships available for top universities. It is a sport that requires speed, agility, stamina, and mental discipline, and because there is no body contact, fencing is a very safe sport.

## AMERICAN INSTITUTE OF FENCING

Since 2006, we have been advancing our students by utilizing one on one and group training from beginners to competitive fencers, all the way to the national level. We believe it is our mission to optimize all students' capabilities no matter their age, gender or physical ability.

## OUR COACHES

AIF is proud to have Coach Mac Shaker as the head coach. He is a '92 Olympian and has won national and world titles. AIF is also proud to have Coach Monica Aksamit. She is a '16 Olympic Bronze Medalist and 2 time NCAA Champion. AIF is privileged to have Coach Hassan El Sherbiny who is a '96 Olympic qualifier and retired police captain. We are also privileged to have Coach JoAnn Vaiami who has 25 years of fencing experience and 15 years of coaching experience.

## THE AIF FACILITY

AIF is a 4,600 Sq Ft facility that is fully equipped with 12 electric strips and state of the art flooring that minimizes stress on the joints for greater performance. AIF is conveniently located one mile south of the Monmouth Mall, Exit 105 on the GSP, and the intersection of Rt 36, Rt 35 and Rt 18.
