

DATE: MAY 3RD

SAINT JAMES SCHOOL DAY OF SERVICE

Help us Help Others! Saint James Elementary School is participating in the Diocesan Day of Service.

“Hearts to Hospitals Heart to Lead-Hands to Help,”
on May 3.

The focus of the day is to collect, package and distribute NEW items such as toys, gift cards and student created cards to sick children, their families, and caregivers in hospitals in Burlington, Mercer, Monmouth and Ocean Counties. Items will be collected from **April 1 to April 25**. When purchasing items, please keep in mind they need to fit in a one-gallon zip lock bag.

Students will package items on April 29. Items will be delivered to area hospitals on May 3. This service learning project is a wonderful way for our students to work together to help those in need.

Thank you as always for your generosity!
