Camping Under the Stars

June 17 - 20

Are you ready for "s'more" fun and learning at Saint James School?

Join Camp Leader Nelsen for a week of awesome camp themed activities! We will explore the wonders of nature, insects, the night sky, fishing, the animals that call the woods home, all while reviewing letters, numbers and colors in a fun exciting way! Grab your tents and sleeping bags and get ready to camp under the stars!

TRANSPORTATION ON the GO....

June 24 - 27

Start your engines! Put on your seatbelts and get ready to learn about different types of transportation. Campers will learn about planes, trains, boats and cars while practicing their letters, colors, shapes, and other skills. Silly stories, songs, SmartBOARD activities, arts & crafts will draw them in to play and learn. Campers will engage in a hands-on experience to climb into, sit on, honk horns, sound sirens and check out real life cool vehicles as police car, school bus, fire truck, golf cart and more!

Beep! Beep! Vroom! Have miles of fun with us!

Where learning is an adventure!

Wiggles and Giggles

Campers will build gross motor skills through creative movement, songs, scooters, parachute fun, and gym games. Everyday will provide an opportunity to go to the gym and outside playground for some much needed wiggle and giggle summer fun.

Please send in two snacks and drinks daily. Campers will have two snack breaks during the busy morning. Classroom time will be held in air conditioned classrooms.

Both weeks will include songs, finger plays, and iPad fun to insure campers have plenty of opportunities to stay actively engaged in the classroom experience.

~ Program offerings are subject to minimum enrollment and fees will be refunded in the event of course cancellation

Young campers learn best in a fun environment that piques their curiosity. Saint James Preschool Summer Camp encourages problem-solving and critical-thinking skills, develops vocabulary and oral language, and helps build independence and social skills.
