On Wednesday, March 24, Saint James School will hold its first Bunny Hop. All money raised will support our efforts to renovate our Early Childhood Playground and Outdoor Education Space.

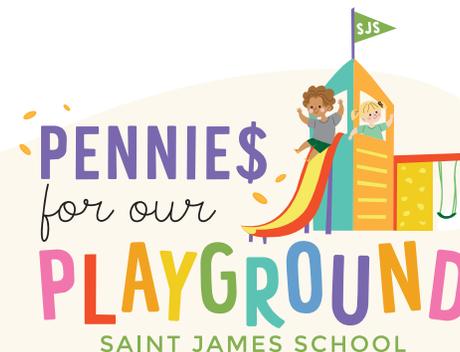

Preschool through Third grade students will have about 20 minutes to “hop” the fun course. Students will complete about 25-35 laps.

Donors can choose to pledge per lap or a flat amount. All forms and money must be received by Tuesday, March 30th. Checks can be made payable to Saint James School.
