

INSTRUMENTAL MUSIC IS BEGINNING FOR 2020 – 2021

We are pleased and excited to begin a new school year in a “new normal”. Classes will be online for the start of the year.

This format has some surprising benefits

- **Flexible Schedules** – classes are available 5 days per week
- **Your choice of class style** – Small group or Individual (Private) Class
- **“Extra Help Office Hours”** – Teachers will schedule times for some extra guidance as needed
- **Practice incentive program** – send in a recording of a piece you are working on for teacher feedback and entry into our raffle
- **“Master Class Sessions”** Professionals on specific instruments will be scheduling classes to give more insight and guidance.
- **Talent Showcases** – until live performances are possible, we will give Café style performances for students to share their accomplishments
