

# Tis the Season for Giving

#GivingTuesday is a global day of giving, which kicks off the charitable and holiday season, to inspire generosity around the world, with a common mission to build a world where generosity is part of everyday life

This year, coordinated by the Diocese of Trenton, we are reaching out to our Saint James School families, friends, and community to ask for help and support for several projects that require funding beyond the income derived from tuition.

**100% of all funds raised will go directly to Saint James Elementary School**

Your support will help Saint James Elementary School:

- **Provide financial assistance to families in need**
- **Purchase STEM supplies**
- **Provide professional development opportunities for teachers**
- **Upgrade technology**
- **Make improvements to the facilities**

Become a part of #GivingTuesday and make a difference in the lives of Saint James Elementary School students. To donate from now through November 30<sup>th</sup>, please click here:
