# LIV LIKE A Unicorn

The Liv Like A Unicorn Foundation's mission is to provide support & awareness for families dealing with pediatric brain and spinal cord tumors, as well as cancer research.

Liv Like A Unicorn provides different opportunities to get involved in your local community and help support children and their families who are fighting cancer. Volunteers deliver and collect toys, clothing, food, and other items that are donated to the families the Foundation supports.

## What is Liv Like A Unicorn Foundation?

Liv Like a Unicorn is a 501(c)3 nonprofit with a goal of raising awareness, helping fund advancements in pediatric brain and spinal cord tumor research, and supporting families dealing with the devastating diagnosis of pediatric cancer. The organization was founded by the Lipnicky family after 7-year-old Olivia, "Liv," was found to have a diffuse intrinsic pontine gliomas tumor in her spinal cord.

The foundation is named for (and more impressively, was founded by) Olivia "Liv" Lipnicky. Olivia was diagnosed with a rare childhood brain cancer just before her 8<sup>th</sup> birthday and didn't live to see her 9<sup>th</sup>. This foundation keeps her memory alive by helping families dealing with childhood cancers.
