

We are on a mission to renovate and refurbish our Early Childhood Playground to provide students of all ages with an outdoor space to learn and grow. Not only do we plan on building fun and innovative play structures, but we also are planning to make an outdoor education space for all grade levels to utilize. We will also be dedicating a special place in loving memory of Mrs. Cathy Villani.

This is a **HUGE** undertaking and will require more than a few pennies.  
We need your help!
