FARM ADVENTURES

June 20 - June 23

Moo! Oink! Neigh! What lives on a farm? Join Farmers Cavendish and Nelsen for a fun-filled barnyard experience and visit our own live petting zoo on campus where campers can interact with friendly animals! Visit a goat, lamb, cow, chickens, bunnies, ducks, and a turkey - bear in mind that the animals are just a small part of the Farm Adventures! They will also get the opportunity to ride a saddle, plant a crop, sensory bin play with toy pigs in the mud, and milk a pretend cow to experience what life is like on a farm!

A fun and educational experience to enjoy!

Learn, Experience, Explore.

Camping Under the Stars

June 27 - June 30

Are you ready for "s'more" fun and learning at Saint James School?

Join Camp Leader Nelsen for a week of awesome classroom camp themed activities! We will explore the wonders of nature, insects, the night sky constellations, fishing, the animals that call the woods home, all while reviewing letters, numbers and colors in a fun exciting way!

We will build a 'fire' (pretend), roast marshmallows, binoculars for birding, scavenger hunt hike, and tell campfire stories! Grab your tents and sleeping bags and get ready to camp under the stars!

Classroom Camping is so much fun!

Where learning is an adventure!

Wiggles and Giggles

Campers will build gross motor skills through creative movement, songs, scooters, parachute fun, and gym games. Everyday will provide an opportunity to go to the gym and outside playground for some much needed wiggle and giggle summer fun.

Please send in two snacks and drinks daily. Campers will have two snack breaks during the busy morning. Classroom time will be held in our air conditioned classrooms.

Both weeks will include songs, finger plays, and iPad fun to insure campers have plenty of opportunities to stay actively engaged in the classroom experience.

~ Program offerings are subject to minimum enrollment and fees will be refunded in the event of course cancellation
