The cost of the Enrichment Camp is \$350 a week per camper

Students will learn Orton-Gillingham techniques that will be used in first grade. Students will learn seeing and saying sounds, writing letters to master decoding and encoding. Students will utilize multisensory learning in the form of sight, hearing, touch and movement. This program will reinforce letters, sounds, phonics, and reading skills, furthering student's skills in math through activities, lessons and hands-on experiences.
